DECOR DO'S & DON'TS

Do's:

Use a removable adhesive such as Elmer's Tac 'n Stik, push-pins, and painters tape.

Follow the product instructions for installation and removal.

While we do not encourage the use of command hooks or LED strip lights, if you are going to use them, please put painters tape behind them so they do not damage dry wall upon removal.

Follow these recommendations to avoid wall damage and charges at move-out.

Don'ts:

NO duct tape, self-adhesive hooks, nails, screws, double-sided tape, glue, or sticky putty

NO stickers or hooks adhered to the mirrors, doors or windows.

Gel clings are prohibited on any surface in the suite or apartment.

DO NOT hang decorations from the ceiling, or light fixtures.

DO NOT mount items such as TVs, shelving, or storage units on walls.
